

U320A100 32" 4K LCD Modular Monitor

Experience Home HD in the sky!

Aircraft Cabin Systems is a leading designer and manufacturer of Inflight Entertainment products for Business and commercial aviation.

The U320A100 monitor is a 4K Ultra High Definition (UHD) modular monitor. This design concept is a first in the IFE industry and offers customized input / output modules allowing for functionality with a variety of IFE systems.

This modular design is available in a variety of sizes. The standard modular input-modules include: HDMI / SDI (6G) / Component-Composite.

If you do not see a monitor meeting your requirements, contact the staff at ACS. We may have just what you need. If not, talk with us about the possibility of designing a monitor meeting your requirements.
