

ALD-3203A

- 32" LCD Monitor -

Experience Home HD in the sky!

Aircraft Cabin Systems is a leading designer and manufacturer of Inflight Entertainment products for Business and commercial aviation.

The **ALD-3203A** monitor features an LED backlight and offers full HD video. One of our thinnest designs and has multiple connectivity options providing system flexibility. Customers love this monitor as it allows you to enjoy HD like it was designed to be with full 1080p. The monitor meets the specifications of DO-160.

If you don't see a monitor meeting your requirements, contact the staff at ACS. We may have just what you need. If not, talk with us about the possibility of designing a monitor meeting your requirements.
