

Experience Home HD in the sky!

Aircraft Cabin Systems is a leading designer and manufacturer of Inflight Entertainment products for Business and commercial aviation.

The ALD-4213A monitor is very thin for its overall size. It utilizes an LED backlight and has multiple connectivity options, including HDMI, Component, CVBS & VGA while providing system flexibility. Customers love this monitor for the 16: 9 aspect ratio. It is also PMA certified.

If you don't see a monitor meeting your requirements, contact the staff at ACS. We may have just what you need. If not, talk with us about the possibility of designing a monitor meeting your requirements.
