

DLH-3201A

- 32" LCD Monitor -

Experience Home HD in the sky!

Aircraft Cabin Systems is a leading designer and manufacturer of Inflight Entertainment products for Business and commercial aviation.

The **DLH-3201A** monitor features an LED backlight and is one of our thinnest monitors. The high-contrast ratio combined with multiple inputs (Ethernet / VGA) makes this monitor a winner with our customers. The monitor offers a very thin design and weighs only 21 lbs. It has PMA certification.

If you don't see a monitor meeting your requirements, contact the staff at ACS. We may have just what you need. If not, talk with us about the possibility of designing a monitor meeting your requirements.
