

DRT-1211A, DRT-1212A - 12" Retractable LCD Monitor -

Experience Home HD in the sky!

Aircraft Cabin Systems is a leading designer and manufacturer of Inflight Entertainment products for Business and commercial aviation.

The DRT-121x monitor series is our new 12" retractable monitors designed as a drop-in replacement. ACS unique design employs fewer moving parts than the competition, thus reducing the failure rates & costly repairs. They are designed to be Form, Fit and Functionally replaceable to your existing unit, so upgrading the aircraft can be as simple as "Plug and Play".

Note: P/N DRT-1211A = Left Side
P/N DRT-1212A = Right Side

If you don't see a monitor meeting your requirements, contact the staff at ACS. We may have just what you need. If not, talk with us about the possibility of designing a monitor meeting your requirements.
