

DRT-1221A, DRT-1222A

- 12" Retractable LCD Monitor -

Experience Home HD in the sky!

Aircraft Cabin Systems is a leading designer and manufacturer of Inflight Entertainment products for Business and commercial aviation.

The **DRT-122x** monitor series is our new 12" retractable monitors designed to be a drop in replacement. ACS unique design employs fewer moving parts than the competitors, thus reducing the failure rates & costly repairs. They are designed to be Form, Fit and Functionally replaceable to your existing unit, so upgrading the aircraft can be as simple as "Plug and Play". This design currently in development for the A330 & B757.

Note: P/N DRT-1221A = Left Side
P/N DRT-1222 A = Right Side

If you don't see a monitor meeting your requirements, contact the staff at ACS. We may have just what you need. If not, talk with us about the possibility of designing a monitor meeting your requirements.
